INSTALLATION MANUAL

1

1 This is how the original dashboard looks like.

2

2 Remove the shown plastic part.

3

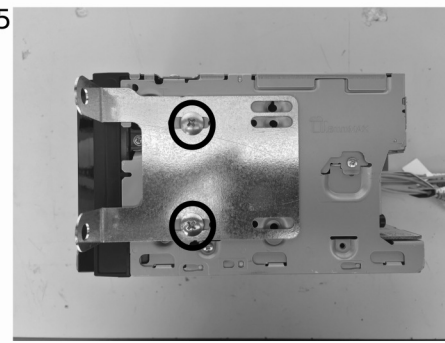

3 Remove the shown fascia plate and save it.

4

4 Unscrew and remove the head unit. Save the circled screws.

5

5 Take the supplied brackets and the fascia plate supplied and fix as shown in the picture.

6

6 Take the aftermarket head unit, connect all cables, verify the proper functioning of the system. Put the new radio unit into the dashboard and fix it with the screws previously saved.

7

7 Insert the supplied fascia plate in the saved fascia plate and remount into the dashboard. This photo shows the final result.
