

Facia plate installation kit for:

OPEL

Model: Mokka

Year: 2012>

Kit content: double DIN facia plate
mounting brackets + screws

Compatibility: Compatible with double DIN devices

Customer code: CA-HM-GM.001

INSTALLATION MANUAL

1) Carefully remove the panel by leveraging on the points shown.

2) Unplug the cable.

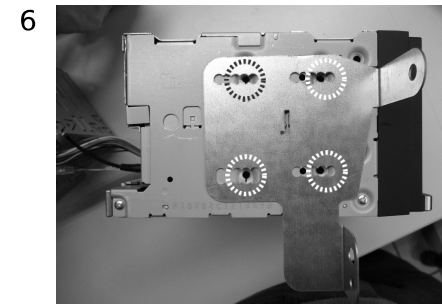

3) Unscrew the four screws and remove the original control unit; disconnect the two plugs.

4) Unscrew the two screws, unplug all cables and remove the head unit.

5) In order to clear space for double DIN radio, cut and remove the plastic "bridge" as shown in picture.

6) Mount both brackets on the double DIN unit and attach the fascia plate; connect all cables, verify the proper functioning of the system and insert the unit into the housing.

7) Fix double DIN head unit on dashboard and reinstall everything in reverse order. This is the final result.
