## Attention - If you have an OE navi system:

- 1) Remove the OEM radio from the dashboard;
- 2) Connect the supplied USB cable as follow:
  - 2A) to the cable shown in the picture;
  - 2B) to the aftermarket radio;
- 3) Put back in place the aftermarket radio unit.

## Attention - If you do **NOT** have an OE navi system:

- 1A) Remove the OEM radio from the dashboard and locate the U-connect Bluetooth module.
  - The module can be located on 2 places:
    - behind the AC panel for audio units with touchscreen;
    - inside the left part of dashboard near the speaker at the knee for cars with units without touchscreen.
- 1B) Disconnect the circled connector as shown in the picture.
- 2) Connect the supplied USB cable as follow:
  - 2A) to the cable shown in the picture;
  - 2B) to the aftermarket radio;
- 3) Put back in place the aftermarket radio unit.
