TS-A6880F HP 4 VOIES

Pioneer

6" x 8" / 16cm x 20cm
350W Max

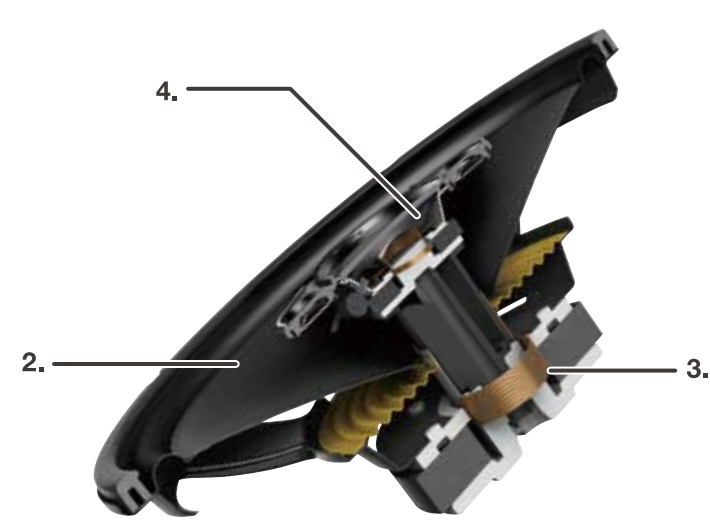

Pioneer

A-series sound design delivers better car-music-life

- Powerful and well controlled bass
- High sensitivity and wide dynamic range
- Clarity of vocal

- FEATURES
- 1. OPEN and SMOOTH delivers smooth frequency response and an expansive soundstage
- 2. Carbon and Mica reinforced IMPP cone provides fast response and solid bass
- 3. Optimized symmetrical motor design reproduces accurate sound
- 4. Cellulose fiber midrange cone provides natural vocal

TS-A6880F 4-WAY SPEAKER

Car Sound Simulator Application for more in-car sound experience. / Application Car Simulator pour plus d'expérience sonore dans la voiture.

WARNING
Careless use of hearing "comfort level" leads to higher volumes of sound so that what sounds "normal" can actually be doing harm. To protect against hearings loss, set your equipment volume at a safe level, don't listen at high volume for long periods of time, and take breaks. Do not turn up the volume so high that you can hear what's around you.

AVERTISSEMENT
Une utilisation négligente des niveaux de confort peut conduire à des volumes de son plus élevés que ce qui semble "normal". Pour éviter tout risque de perte auditive, réglez d'abord le volume de votre matériel à un niveau raisonnable, puis n'écoutez pas pendant de longues périodes de temps à un volume élevé. Ne laissez pas le volume de votre matériel monter si haut que vous pouvez entendre ce qui se passe autour de vous.
