- Coordination of the execution of the required modifications in order to respond to the local market needs/requests for all our car electronics products.
- Discuss reallocations with the Sales department and the Pioneer branches and optimize customer satisfaction.
- Contact with stakeholders and supervise the execution of the most adequate solution for import and/or export problems in order to ensure sales in any possible circumstances.
- Process sales requirement and identify purchase needs for budget purposes.
- Update and maintain the product life cycle document for all car electronics products.
- Sales reporting in order to contribute to further sales maximalization.

What are we looking for?

- You have experience in planning and are able to think and act fast.
- With your communication skills, you know how to maintain good relations with stakeholders.
- You are very accurate and like working with numbers.
- Your analytical mind ensures that you see how the planning puzzle fits together.
- You work customer-oriented and know how to meet customer requirements.
- You can communicate fluently in English, Dutch is optional.
- You know your way around MS Office and experience with SAP is a nice to have.

We offer you:

- An exciting job within an international context
- A competitive salary package
- Group insurance and health insurance
- Meal vouchers of €8/day
- Eco vouchers of €250/year
- End of year bonus
- Various training opportunities
- Flexible working hours and work-from-home option
