

Pioneer is an international company in which more than 8000 employees worldwide develop and produce innovative, high-tech car entertainment products. Our goal? Making your mobility experiences safer, smarter and more comfortable.

Would you like to help carry this vision forward? You can! To strengthen our Public Affairs team at the European headquarters in Melsele, we are looking for an **Environment & Product Compliance Officer**.

Your responsibilities:

- Review product documents (e.g. technical documentation) to make sure it contains all the necessary information to meet the applicable requirements.
- Issue EU & UK declarations of conformity for products, packaging and batteries by using software tools and upload them in the company databases.
- Prepare environmental reports in SAP.
- Support the Public Affairs team with environmental & product compliance issues regarding chemicals, waste, ecodesign, RED, LVD, EMC, etc.
- Follow up tasks regarding environmental/product compliance issues related to the sales and installation of car infotainment products.
- Administrative support such as classifying and storing documents in the company databases.

Do you recognize yourself in this?

- You have a strong interest in the automotive/consumer electronics industry.
- Your knowledge of English is good, Dutch is optional. Other languages are a plus.
- MS Office has no secrets for you; you know your way around Word, Excel, etc.
- As a strong organizer, you know how to plan your work to meet deadlines.
- You are a teamplayer and helpful to your colleagues.
- You have strong oral and written communication skills.

We offer you:

- An exciting job in a fine team within an international context
- A competitive salary package
- Group insurance and health insurance
- Meal vouchers of €8/day
- Eco vouchers of €250/year
- End of year bonus
- Various training opportunities
- Flexible working hours and work-from-home option
