1

1B

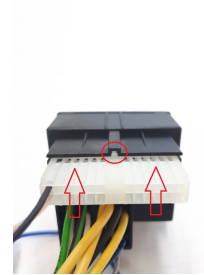

1. Plug in the BROWN RCA connector in the R.C. INPUT at the back side of the radio, indicated in the 1B picture.

2

2. Fit the white 24 ways connector in to the Fakra connector by inserting it in the circled Red area. See at the following point.

3

3. Push the white connector as shown in the picture. Pay attention to polarity (pin circled in red).

4

4. This is the final result.
